**ADVISORY FOR INDIVIDUALS SHARING HOSTEL SPACES ON THE
CAMPUS IN VIEW OF THE COVID-19 SPREAD**

In view of the Corona virus spread and as a precautionary measure, all the boarders of hostels are requested **not to** harbor any un-authorized boarders in your rooms. The risk of infection from these un-authorized boarders particularly those who are working in the nearby IT companies and staying un-authorizedly in the hostels is higher and unknown. Therefore, you are encouraged to reduce interaction and minimize contact with them, so as to prevent transmission of covid-19 in our hostels and to the UoH community.

The following measures are to be observed in the hostels.

1. You can avoid close and sustained contact with the un-authorized boarders by not sharing a bed, limiting the time spent together at common areas and within the room.
2. Avoid sharing food, crockery, utensils and other personal hygiene items.
3. Maintain good personal hygiene at all times.
4. Please ensure that your facilities/premises are kept clean. Routine cleaning of mess facilities/hostel premises should be carried out as per normal by the University.
5. If an occupant is unwell in a room, advise the occupant to seek medical attention immediately. If any occupant have a fever or respiratory symptoms (e.g. cough, runny nose), they should wear a mask. Please provide the occupant with a surgical mask, if possible.

Once again it is advised to avoid having un-authorized boarders in your room.
