

University of Hyderabad
Office of the Chief Warden

No. UH/CWO/2020/329

Date: 30 May 2020

NOTIFICATION

It is brought to the notice of the boarders of all hostels that the University has notified the revised Academic Calendar, which is subject to further modification depending upon the current situation of the COVID-19. As there are certain considerable relaxations of the ongoing lockdown by the Central Government and various State Governments, more than 50 boarders have already left their hostels and returned their homes by availing themselves of the facilities. **Therefore, all the remaining boarders of all the hostels are strongly advised to make necessary arrangements to leave the hostels and return to their homes at the earliest.**

The boarders at the time of leaving their hostels are directed to write an email to the Chief Warden through cwouoh@gmail.com mentioning their **Names, Regn. Nos, Hostels, Room Nos., and Date and Time of Leaving the Hostels** with an intimation to the respective messes.

Nevertheless, all the boarders are directed to look at the updates at the University website from time-to-time and take necessary clearance before they make any plan to return to the University campus as per the final revised Academic Calendar.

To

The boarders of all the Men's and Ladies' Hostels for strict compliance

Copy to:
