

Steps to be followed by the Research students of 2016 to 2019 batches for returning to the campus

The research scholars are requested not to send any Emails to Chief Warden/Wardens directly for returning to the hostels. They are advised to adhere to the following steps.

Step 1: The research scholars are to write their requests letters/emails for returning to hostels to their respective Dean through their Research Supervisors and Heads.

Step 2: After the Deans' permissions, the consolidated lists of such research scholars are to be forwarded to the respective Task Force-2 Members (Discipline-wise mentioned below) by the Offices of the Deans. **Heads/ Deans of academic units may please forward the consolidated list to all members of the respective disciplines.**

List of Assigned Task Force-2 Members

Science Disciplines

Prof. Samar Kumar Das - School of Chemistry - skdas@uohyd.ac.in

Prof. Salman Abdul Moiz - School of Computer & Information Sciences -salman@uohyd.ac.in

Prof. Naresh Babu - School of Life Sciences - nareshsepuri@uohyd.ac.in

Prof Shamanna -- School of Medical Sciences - brsham@gmail.com

Humanities, Social Sciences and Economics Stream

Prof. Sanjay Subodh - sanjaysubodh@uohyd.ac.in

Prof. Amba Kulkarni - Department of Sanskrit Studies -ambakulkarni@uohyd.ac.in

Prof. PhanindraGoyari - School of Economics -pgoyari@uohyd.ac.in

S N School of Arts & Communication

Prof. Vasuki Belavadi - Department of Communication -vb@uohyd.ac.in

Step 3: The Task Force-2 will compile the consolidated lists and based on further decision of the Task Force-2, such consolidated lists will be forwarded to the Chief Warden's Office (CWO).

Step 4: The CWO will send a Google Form to the permitted research scholars according to the consolidated lists forwarded by the Task Force-2 in a staggered manner depending on the availability in the Temporary Isolation Facility.

The CWO will mention a **DateSlot** for such research scholar to make their travel plan. The research scholars **are to mention the dates and time of their arrival in the Google Form**. The research scholars are **advised to avoid arriving on campus on public holidays and after 8 p.m. on any working day**.

Step 5: On the day of the arrival, such permitted research scholars are to approach to the Main Gate of the University and must produce the copies of their travel tickets, Covid-19 RT-PCR Negative reports (obtained within 72hrs excluding travel dates), and COVID-19 Vaccination Certificate (at least

first dose) before the security staff on duty. Entry is allowed only through the Main Gate of the University.

Step 6: The research scholars are to proceed to the Temporary Isolation Facility, i.e., LH-10, New Hostel in the South-end Campus and meet the Office Staff on duty. The research scholars are to make necessary entries in the Ledger after submitting a copy of their Covid-19 RT-PCR Negative reports (obtained within 72hrs excluding travel dates) **and** COVID-19 Vaccination Certificate (at least first dose). **The research scholars should be having at least four copies of the Covid-19 RT-PCR Negative reports and COVID-19 Vaccination Certificate to be submitted at various places.**

Step 7: The research scholars are to fill the Hostel Undertaking Forms (exclusive for hostel purpose) and sign the same. This form will be readily available in the hostel office.

Step 8: The research scholars are to stay (self-quarantined) for 5 days in the Temporary Isolation Facility (LH-10). Mess facility will be provided in the dining room adjacent to Temporary Isolation Facility (LH-10) through a separate entrance. During the quarantine period, the guidelines of the University need to be strictly followed.

Step 9: During the quarantine period, the research scholars will be regularly contacted by a team of professionals to ascertain their health status at least once a day. This is for the safety and well-being of the whole university community.

Step 10: After 5 days of self-quarantine, the research scholars will be ready to move to their respective hostels. To move to their respective hostels, they are to inform their Wardens concerned through emails that their self-quarantined period is over and they may be permitted to occupy their rooms. After getting positive replies from the Wardens concerned, the research scholars are to move to their respective hostels after signing the hostel vacating register available in the Temporary Isolation Facility (LH-10). Movement to the respective hostels may not be possible on holidays (Sunday/Public holiday). However, the research scholars are to vacate the Temporary Isolation Facility when they are asked to after completion of the required period self-quarantine as decided by the authorities.
