

**Steps to be followed by the PG/ Integrated/ MTech  
students of 2018 and 2019 batches (corresponding  
Integrated PG)  
for physically vacating their hostel rooms**

**Step 1:** The student is to write an email to the Warden concerned mentioning the date and time of arrival on campus well in advance marking a copy to the Chief Security Officer ([cs@uohyd.ac.in](mailto:cs@uohyd.ac.in)).

**Step 2:** After obtaining the positive reply from the Warden, he/she will be permitted to physically vacate the hostel on the same day. Physically vacating the hostel room is not possible after office hours and on holidays. Therefore, the student are **advised not to** arrive on campus on public holidays and after office hours on any working days.

**IMPORTANT:** The students coming to physically vacate their hostel rooms are NOT permitted to stay in the rooms under any circumstance. They should make their own arrangements to stay outside of the University, if they arrive after office hours or on holidays.

The Task Force-2 has decided **31-07-2021** as the deadline for the 2018 batch and 2019 batch to vacate their rooms. If the rooms are not vacated by this time, the necessary actions will be followed by the CWO/Wardens' Offices as per the recommendations of the Task Force-2 to facilitate hostel admission to 2020 batch students.
